Total				24,960	
If Pool B is underdistributed, add			33		
Total Quota Distributed			24,960		

❖ The quota was under-distributed by 2 units as each quota unit must remain a whole number. One applicant from pool A was selected, by way of random draw, to receive one additional quota unit. One applicant from pool B was selected, by way of random draw, to receive one additional quota unit. The applicants drawn were #4 and #15.

The offer to buy fill rate was 25%, the price per unit on the March 1, 2017 exchange will be \$355.00.

If you would like to provide feedback on the exchange process, please complete the [survey](#).

Below is the distribution of Quota between Pools A and B. If you have any questions regarding this process, please contact [Katie Lowe](#), Executive Director at 604.854.4490.
