

SHELF LABEL

Production Notes

A set of 9 shelf labels that describe the following 8 types of eggs:

- Conventional
- Enriched
- Free-Run
- Free-Range
- Organic
- Omega-3 or Omega Pro
- Vegetarian Fed
- Vitamin-Enhanced
- plus a generic label that can 'connect' the other labels.

Print ready PDF artwork each 9" x 1.25" with .125" bleed on all sides.

We suggest direct to substrate printing using CMYK inks. Typical substrates are polycarbonates with callipers around .030.

Round corners (radius of .125" - .25") can be specified at the sign printer of your choice.
